

## GDPR

With each enquiry and booking taken it is necessary to take some personal details, name, telephone number, address, email, etc. You will only ever be asked information regarding to that particular enquiry or booking and your details will not be used for any other reason. Your data is kept securely and is only used for enquiry or booking purposes. It is not shared with any third parties, and any information held will be kept safe and secure for business tax purposes for up to 5 years. If you would like to know more details about the information held or to remove your data please contact [nottinghamshireharpist@gmail.com](mailto:nottinghamshireharpist@gmail.com). Many thanks, Louise
